“ I’m always looking for new opportunities to improve my skills and experience in a IT company. I’m someone passionate in computer science and new technologies, and especially the Linux and Java technologies. ”

Skills

Languages C# Java PL/SQL TypeScript PHP HTML JS Go
Frameworks Java EE Node SpringBoot AOP MapStruct Lombok JPA
Op. Systems RedHat AlpineLinux Debian Proxmox
Databases MariaDB MySQL Oracle Redis
Web Servers Tomcat Nginx Lighttpd Apache
Infra. Servers Kafka KnotDNS Traefik HAProxy OpenSMTPD
Collaborative dev. Subversion Git Scrum
Continuous integr. Gitlab Sonar Jenkins OpenShift Ansible
Protocols SSH IMAP HTTP TLS SMTP DNS PROXY
Others Maven DNSSEC REST Docker OpenAPI AsyncAPI

Career

10/2021 – Present **Java Lead Developer** - MGEN Technologies 6 PERS.

Develop the software framework of a meshed micro-services architecture.
Set up continuous integration, continuous deployment and log concentration, in on-premises and cloud environments.
Create software libraries for Kafka integration and automated generation of synchronous and asynchronous API clients.
Technologies : SpringBoot, GitLab, OpenShift, Google Cloud, Elastic, Kafka.

07/2021 – 09/2021 **Java Senior Developer** - Porsche 4 PERS.

Analyzed pending bugs and created fixes.
Set up tools for the application monitoring and scalability.
Technologies : SpringBoot, Go, Telegraf, InfluxDB, Grafana.

Career (suite)

08/2018 – 06/2021 **Java Developer** - IMDEO  12 PERS.

Analyzed bug reports and created fixes. Operated the application maintenance and developed the evolutions of the information system.
Technologies : Tomcat, Java EE, SpringBoot, RabbitMQ, Oracle.

12/2018 – 07/2019 **Java Developer** - Porsche  8 PERS.

Developed a reservation booking website backed with micro-services architecture. Set up the integration, acceptance and production environments.
Technologies : Debian, Apache, Java EE, SpringBoot, Angular, PHP

06/2017 – 08/2018 **Java Developer** - MGEN Technologies  5 PERS.

Provided technical support for the digitization of care related documents. Developed the web services for document management system.
Technologies : Windows, Java EE, Sonar.

02/2013 – 06/2017 **Java Developer** - Worldline  12 PERS.

Designed, implemented and leaded the development of a functional testing automation engine, for daily monitoring of regression tests.
Technologies : RedHat, JBoss, Java EE, Git, Selenium.

Traineeship

04/2012 – 07/2012 **.NET Developer** - GFI Informatique  5 PERS.

Designed the architecture and developed an management application.
Technologies : C#, ASP.NET, Linq, NHibernate, Oracle.

01/2011 – 05/2011 **Java Developer** - Atos  4 PERS.

Set up a continuous integration server and automated tests.
Technologies : Java SE, JUnit, Hudson, Sonar, Selenium.

06/2010 – 09/2010 **PHP Developer Analyst** - Groupe Partnaire  2 PERS.

Wrote functional specifications and developed a website.
Technologies : PHP, CSS, XML, MySQL.

Traineeship (suite)

09/2009 – 12/2009 **.NET Developer** - *Lisica Informatique*  1 PERS.

Designed and created a software user interface.
Technologies : VB.NET.

Personal projects

09/2010 – Present **GNU/Linux Administrator**  3 PERS.

Installed, configured, secured and maintained a server and its services.
Technologies : Proxmox, Alpine, Debian, Java SE, Nginx, PHP, MariaDB.

03/2017 – 12/2019 **GNU/Linux Administrator**  1 PERS.

Developed a platform of monitoring-as-a-service.
Technologies : Alpine, OpenSMTPD, TomEE, Java EE, Memcached.

04/2015 – 03/2017 **Java RESTful Developer**  1 PERS.

Developed a website based on a scalable architecture with micro-services.
Technologies : Java EE, Tomcat, OpenEJB, Nginx, EmberJS.

Education

2012 - 2013 **Manager des Systèmes d'Information**

RNCP niv. I – Bac+5

2010 - 2012 **Responsable en Ingénierie des Logiciels**

RNCP niv. II – Bac+4

2008 - 2010 **Analyste Programmeur**

RNCP niv. III – Bac+2

Miscellaneous

Interests	Hi-Fi Audio, Photography, Geopolitics, History, Free Software, Economy.
Sports	Running, Badminton.
Foreign language	Reading, writing and speaking of casual and technical english (TOEIC 840/990).
Traits	Methodology, Autonomy, Adaptability.
Transport	Driving license and car.
